

Cisco
Networking Academy
Mind Wide Open

Certificate of Completion

Presented to:

Kristian Sandakchiev

Name

For completing the Cisco Networking Academy® Introduction to Cybersecurity course, and demonstrating the ability to explain the following:

- Global implications of cyber threats
- Ways in which networks are vulnerable to attack
- Impact of cyber-attacks on industries
- Cisco's approach to threat detection and defense
- Why cybersecurity is a growing profession
- Opportunities available for pursuing network security certifications

A handwritten signature in black ink, appearing to read "H Kang", written over a horizontal line.

Harbrinder Kang
VP, Cisco Networking Academy
